

Fall 2018

Dear Friend of Lake Shore Schools,

It's that time of year again—the Fall Fundraiser for the Lakeshore Foundation.

We're proud to tell you:

- For every dollar you donate, 98 cents goes to the teachers and students of the Lake Shore School District.
- In the 32 years since the foundation was formed, we've given more than \$600,000 in grants.
- We're ready to blow the doors off the 2018-19 school year.

School funding only goes so far, and often doesn't cover pilot programs or innovative ideas teachers have for their classes. That's where The Lake Shore Foundation comes in. Just last year, we funded novel ways to teach math through sports at North Lake, alternative seating in classrooms throughout the district, safety equipment and uniforms for after-school programs and so much more.

As our students reach for the stars, we need your help to give them the boost they need to touch them. Please consider a tax-deductible donation to help support creative, hands-on learning in the classroom.

If you would like more information, or would like to get involved with the Lake Shore Foundation for Education Excellence, please call: (586) 285-8610 or email: LSFEE@lsps.org.

.....
With gratitude, we accept your donation of:

\$ _____ \$250 \$100 \$50 \$25

You will receive a receipt and a letter thanking you for your support for tax purposes.
