

Gumdrop CASES

Droptech Series

Dell Chromebook 11" 3189
Dell Latitude 11" 3189

Rugged Always-on Protection

Shock absorption, drop protection, extreme ruggedness and hard-core readiness for all adventures, the Gumdrop Cases Droptech specifically conforms to the shape of the Dell Chromebook/Latitude 11 3189 and offers multiple layers of protection

Drop Protection

Ruggedized construction designed to provide your Dell Chromebook/Latitude 11 3189 a case to protect from drops, bumps and shock of everyday use

Allows 360 Flip

Always-on design allows for protection in both laptop or flip-around tablet mode

Dual Material Construction

The case consists of clear, rigid polycarbonate structural panels that are encased in a thick silicone shock absorbent bumper. In addition to the 2mm thick plastic case, this bumper adds an additional 6mm of extra thickness on all edges

Clear Panels, Top and Bottom

The clear polycarbonate panels make it possible for logos and asset tags to be visible without removing the case

Fits Chromebook and Latitude 11 Model 3189

Each case is built to match the design of the Dell Chromebook/Latitude model exactly, allowing access to all ports and buttons

4-Foot Drop Protection

The Droptech series case is built to last and provide unparalleled protection. Cases have been drop-tested to withstand falls from up to four feet

-Specification	Droptech Series Case
Product Compatibility	Dell Chromebook 11 Model 3189 Dell Latitude 11 Model 3189
Manufacturer Part Number	DT-DL3189-BLK
